## OVERVIEW

### PUT PRO TOOLS POWER IN THE PALM OF YOUR HAND

Pro Tools | Software is the industry-standard digital audio workstation used and trusted by top music professionals around the world. With the Pro Tools | Duet and Pro Tools | Quartet USB audio interfaces, you can work with the same multi-award-winning tools the pros use to create your favorite songs and soundtracks—with unparalleled speed and ease.

### GET PREMIUM SOUND QUALITY, DESIGNED BY APOGEE

The best-in-class Pro Tools | Duet and Pro Tools | Quartet USB audio interfaces feature cutting-edge technology that delivers a difference you can hear. State-of-the-art A/D and D/A conversion renders every detail of your audio recordings, plug-ins and virtual instruments, delivering sonic fidelity and precision. Dynamically optimized mic preamps provide superior bandwidth, ultra-low noise and up to 75 dB of stunningly transparent gain, so your recordings retain the full impact, warm detail and lifelike dimension of the original.

### SEE IT, SELECT IT, DIAL IT IN

With the included EUCON-enabled Pro Tools IO Control software, you can take direct control of your recording and monitoring experience from the Duet or Quartet audio interface. You'll experience the same tight integration between Pro Tools | Software and Pro Tools | Duet and Pro Tools | Quartet as you would with any Avid audio interface.

### GET PORTABILITY WITH RELIABILITY FOR THE ROAD

Avid Pro Tools | Duet and Pro Tools | Quartet are solidly built with die-cast aluminum, steel and a scratch-resistant display panel, providing a sleek yet robust chassis for added protection against daily abuse and the unpredictability of travel. The ultra-compact sizes of the Duet and Quartet make them perfect for any desktop studio environment or for on-the-go creation.

## PRO TOOLS | DUET

### PRO TOOLS | DUET

Designed for singer/songwriters and loop-based musicians, Pro Tools | Duet enables you to turn your Mac or PC into a powerful, yet portable music creation and audio recording studio. Get the best of both worlds—multi-award-winning Pro Tools | Software and the legendary sound of the Duet 2x4 audio interface by Apogee, providing everything you need to compose, play, practice, record, edit, mix and master music and audio. Take your creativity to the next level with a comprehensive and truly portable system that delivers exceptional performance, quality and value—in your studio or on the go.
