

The main wireframe shows a browser window with the title "Web Page Title". The address bar contains "http://domain.com" and a search bar with "Google". The page header includes the "GC Studio Logo" and the text "GCStudio Administration". A support notice reads: "For password support please call the **Store Support Team** at (866) 498 7876." The central content area features a login form titled "Employee login" with the following fields: "Employee ID", "Password", "Store #", and "Domain" (a dropdown menu with "Retail" selected). A "Login" button is positioned at the bottom right of the form. A "Forgot Password" link is located below the form.

Error Handling

This wireframe illustrates the error handling state of the login form. The "Employee ID" and "Password" input fields are highlighted with red borders, indicating they are required. The "Store #" field is also highlighted with a red border. The "Domain" dropdown menu is highlighted with a red border and shows "Retail" as the selected option. The "Login" button is visible at the bottom right.
